

HEAVY-DUTY LIFECYCLE® BIKES

Delivering effective aerobic workouts to exercisers for over 30 years, Lifecycle exercise bikes are the #1 preferred bike in the world. Even remanufactured, Life Fitness Certified Pre-Owned Lifecycle bikes are a better value than other companies' brand new equipment. Here's an easy way to get the best for less.

LC 9500RHR Fully-Featured Recumbent Lifecycle Bike

This recumbent bike features interactive heart rate workouts with the Lifepulse™ telemetry heart rate monitoring systems and an ergonomically correct seat that has 12 adjustment settings. The self-powered system allows you the freedom to place these bikes anywhere in your facility, without any cords to consider.

***Performance that can't be beat.
Prices that can't be ignored.***

LifeFitness

OUR 28-POINT INSPECTION

Our certified technicians carefully disassemble and diagnose every Lifecycle bike using a meticulous 28-point quality checklist. Next, we either **CLEAN, DETAIL, INSPECT, PAINT, REBUILD, REPAIR,** or **REPLACE** every specific part or perform a combination of these steps. We deliver fully assembled, refurbished Lifecycle bikes ready for your immediate use.
